At this workshop on 29th September, Anne will lead us in considering

“How to do it and How to teach it”

Specifically, some formations which may or may not be badly done or awkward to teach and especially those that may have given problems during the Teachers' courses.

We are grateful that Anne is willing to share her knowledge gained through a lifetime of teaching both adults and children.

Anne will also explain about the new **Dancing Achievement Award (DAA)**.

Judith Muir is known to many as part of the Craigellachie Band (led by her husband Ian Muir) but has also played for many classes including teachers' courses locally and at St Andrews and we are delighted to welcome her back to SERTA and that she will be accompanying Anne for this workshop.

Our next workshop will be on
Sunday 22nd March 2020

This workshop will conclude with our Biennial General Meeting.
Further information will be available soon.

Please put the date in your diary!
